1. GENERAL INFORMATION

This luxury eco-hotel surrounded by an artificial lake, is built on a 1, 220, 000m² seafront property with direct access to Kantenah Beach and its 800 m of fine white sand. It features large landscaped gardens with lush tropical vegetation and an extensive network of nature trails that can be used by our guests for a nice stroll around the hotels. The complex also houses an ultramodern Spa of approx. 6,000 m² equipped with the most advanced facilities offering guests a wide variety of services. Our guests can use all the facilities at Grand Palladium Colonial Resort & Spa, Grand Palladium Kantenah Resort & Spa and Grand Palladium White Sand Resort & Spa, except those located at The Royal Suites Yucatan by Palladium, which are for the exclusive use of its guests.

The Grand Palladium Colonial Resort & Spa is managed according to the quality control system of Palladium Hotels & Resorts which guarantees an excellent level of consistent quality to our guests. Palladium Hotels & Resorts made the decision years ago to contribute as much as possible to the protection of the environment. Our five resorts in the Mayan Riviera were the first ones in our chain designed under these criteria. In fact, most of our facilities adhere to this philosophy. Their design reflects a perfect harmony between modern and luxurious accommodations and the area's lush natural environment.

The Grand Palladium Colonial Resort & Spa has won a global certification of sustainable tourism by EarthCheck for adhering to the highest standards of environmental conservation, and the Travelife Gold Award.

Sightseeing Tours*

- **Chichén - Itza:** Add some interesting cultural, adventure and gastronomic experiences to your vacations. Chichén Itzá, that mystical city with famous Mayan ruins is regarded as one of the "New Wonders of the World." You will be amazed by the beautiful buildings you'll discover in this place of worship, such as the Temple of a Thousand Columns, the Ball Court, or the most emblematic ones: the Temple of Kukulcan and the Observatory, which is a clear representation of the advanced knowledge of astronomy and mathematics this ancient Mayan civilization possessed.
- **Cozumel:** Cozumel Island is known worldwide as one of the most beautiful spots for snorkeling and scuba diving. It also boasts the second largest coral reef in the world. Taking a 60 meters dive with excellent visibility is certainly a privilege you should not miss if you visit the Mexican Caribbean.
- **Rio Secreto:** Live a fantastic and mystical journey through one of the most amazing natural wonders of the Mayan Riviera. The adventure begins right at the registration module, where you will be driven through the jungle to this natural reserve. You will then be greeted by a guide who will provide some interesting facts about this amazing mystical experience. You will get your complete outfit: wetsuit, helmet with a special lamp and special shoes. You will then be taken to a maze of endless corridors formed by ancient geological processes. You'll walk and swim along a 600 meter easy-to-follow route while admiring thousands of stalactites and stalagmites in a protected natural reserve.
- **Xcaret:** "Nature's sacred paradise" is the world's most famous eco-archeological park. Here you'll find archaeological ruins, dolphin show, horses, tropical birds, butterflies, a bat cave, beaches...You can also snorkel in the famous crystal-clear caves and its underground river. Visit the apiary, mushroom garden or turtle farm, take a trip to the rainforest or the coral reef aquarium, or simply enjoy the horsemen show. The Xcaret Mexico Spectacular Show is the number one show at the park. It brings 300 artists together on stage with a selection of the best music, dances and songs from Mexican folklore. And when the sun comes down, the sounds of pre-Hispanic drums, warriors lined-up and Mayan priests guarding the roads indicate that the show is about to begin. An incredible and colorful display that will take you back to the most important eras in Mexico's history, including the re-creation of the amazing ball game.
- **Xel - Ha:** It's the perfect place for relaxing and doing some snorkeling. This natural aquarium is famous for its hundreds of brightly colored tropical fish and its spectacular rock formations. Here you can explore creeks, lagoons and caves fed by subterranean rivers. Xel-Ha is the most spectacular water theme park of the Mayan Riviera featuring the most amazing natural aquarium in the region. You can have lots of fun with family or friends thanks to the great selection of water activities, and natural and ecological attractions. Or let the crystal-clear currents of take you slowly down the magical lazy river on floating inner tubes.
-

- **-Xplor:** It is a natural ecological park adventure. In this park you can experience the thrill of flying in 14 incredible zip lines on the tops of the trees, driving an amphibious vehicle along the road through the jungle and through caves and grottos, swim in an underground river surrounded by stalactites and stalagmites, paddle with your hands on a raft while you look amazing rock formations created by nature over millions of years.
